How to use your child's/ward's Edusave funds

Parents/Guardians of students in Government and Government-Aided Schools can set up a Standing Order (SO) to authorise your child's/ward's school to deduct funds from his/her Edusave account.

This is a one-time setup and will remain in force unless you terminate the SO. You can indicate a future date for the SO to expire if you would like it to be terminated automatically. Alternatively, you can login to SFS to terminate the SO with immediate effect.

You can specify what you would like to pay for using Edusave by indicating the SO Usage:

- Approved Fees
 - This refers to Miscellaneous Fees and Autonomous Fees, where applicable.
- Enrichment Programme Fees
 - This is applicable to both local and overseas programmes.
- Learning Device under PDLF
 - This option is not applicable to students in primary schools.

Each Standing Order is specific to the school. Should your child/ward change to another school in future, you will need to set up a Standing Order for the new school.

How to set up a Standing Order for Edusave

After you login to SFS, navigate to **Edusave > Standing Order** and click **Create Standing Order**.

After reading the **Instruction** section, please click **Next** to proceed to the next step.

The screenshot shows the 'Create Standing Order' page with the 'Instruction' step highlighted. The page has a dark blue header with 'Account Overview', 'Standing Order', and 'Transaction' tabs. Below the header is a breadcrumb trail: 'Home > Edusave / Standing Order > Create Standing Order'. The main title 'Create Standing Order' is in a blue box, with 'Chloe Tan Jia En' and 'Selected' next to it. A progress bar shows three steps: 1. Instruction (active), 2. Create SO, and 3. Preview. A blue box with a clock icon says 'Please note this form may take 5 minutes to complete.' Below this, two paragraphs of text explain the form's purpose. At the bottom right are 'Cancel' and 'Next →' buttons.
